HPLC 2023

51st International Symposium
on High Performance Liquid Phase Separations and Related Techniques

June 18 – 22, 2023 in Duesseldorf, Germany

www.hplc2023-duesseldorf.com

8th Newsletter, 4/27/2023

Reduced Fee Registration Deadline – 2nd May 2023

Abstract Submission Deadline for Posters 2nd May 2023!

Registration deadline for Science Slam and HPLC Tube: 2nd May 2023!

For details about [abstract submission check here](#), [for registration here](#),
or check the symposium website by clicking the top banner

Dear Scientist

Program highlights at HPLC 2023

HPLC 2023 in Düsseldorf, Germany will be the world's largest separation science symposium in 2023 covering all aspects around liquid phase separation technologies, their hyphenation to mass spectrometry and ion-mobility mass spectrometry. HPLC 2023 features current hot topics in analytical & separation sciences from molecular phenomics, next generation column technologies, digital transformation of the analytical lab, biopharma challenges (protein and nucleic acid therapeutics) to single cell analysis, and many more. [Check this page](#) for program details.

Call for contributions for the Separation Science Slam

Rock your science! Win a 1500 € Cash Award! HPLC 2023 will feature a “Science Slam” as a special event. It is a competition among science slammers to win the favor of the audience and the judges! Read the advice from the silver medalist of the HPLC 2019 Science Slam Award as to encourage participation published in [The Analytical Scientist here](#).

Register now for the HPLC Science Slam! For more information [see this page](#).

Submit your 3-minute video for the HPLC Tube and win 1500 €

HPLC 2023 presents the HPLC Tube video contest. It is a scientific competition for the best video presenting the impact of your research on our society.

Wow the audience and the judges with a 3-minute video that presents your research in a creative and entertaining way, using scientific and artistic ingenuity to get your message across. For more information [see this page](#).

Register for: Agilent Best Poster Award

The HPLC Symposium series invites academic, institutional and industrial researchers to share and discuss their work with delegates. The Best Poster Award (BPA) provides a stimulus and incentive for all scientists to attend the HPLC Symposium and present their research in a poster session. The winner will receive a cash prize of 1500 €.

Check the box to participate in the Best Poster Award when submitting your abstract! More information can be found on [the symposium webpage here](#).

We look forward to your participation at HPLC 2023 in Düsseldorf, Germany

The Symposium Chairs

Prof. Michael Lämmerhofer

Eberhard-Karls-University Tübingen, Germany
